

SIGHT FOR LIFE FOUNDATION NEWSLETTER

Consumer / Staff

WINTER ISSUE THREE

Welcome to winter

I write this newsletter during the Sydney lockdown. It is a difficult time for all Sydneysiders, especially those scheduled for surgery.

Rest assured the Sight Foundation is adhering to N.S.W health directives and covid requirement as they evolve. Our staff are trained in infection prevention and control with a high cleaning frequency of equipment.

We recently welcomed Dr Kenneth Ooi and Dr Tanya Karaconji to the Foundation we look forward to working with them. Our new Administration Manager Katie O'Brien has already introduced new accounting and HR technology to the workplace as we look toward future business practices.

SFLF Board: August 2021.

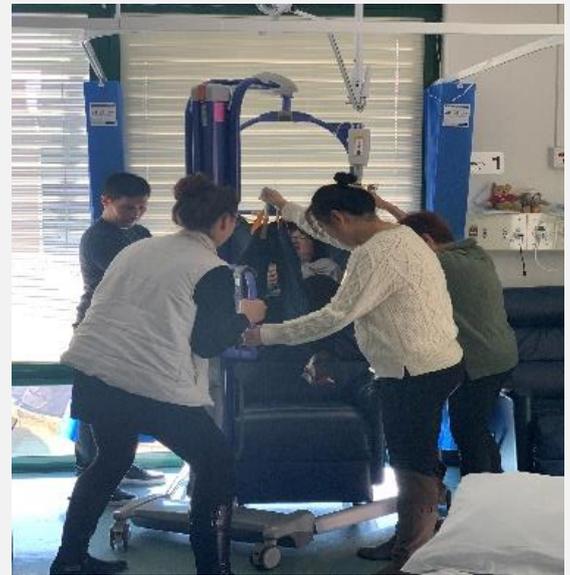

Did you know?

We are a not-for-profit organization. All profits go directly to funding the operation of the Sight Foundation training and research lab where trainee ophthalmologist hone their skills practicing new techniques. The Lab is supported by donations which fund the purchase and maintenance of equipment and consumables and other costs that arise from training the next generation of surgeons. If you would like to donate to the Lab, ask our receptionist for a donation kit.

2021 data

- 98% Compliance with Healthcare Record Completion
- 100% Antibiotic Stewardship Audit
- 100% compliance on patient anaesthetic admission audit

Team Training

Staff undertook mandatory training on the 25th of June with the help of EMS. We updated our basic life support, fire and evacuation and manual handling education. A great day for all

Upcoming Audits

This quarter we are completing our hand hygiene audits. Our environmental audit and staff satisfaction audit are also to be completed.

Consumer feedback

If you have any ideas or thoughts on how we can better improve our patient service, we would love to hear from you. Please contact info@sightfoundationtheatres.org.au or ask for a patient satisfaction survey from your nurse.
