SUMMER ISSUE THREE

Welcome to Summer

The Covid 19 lockdown has been difficult for all of Sydneysiders, but we have taken it in our stride and provided ongoing care throughout the lockdown. All staff and Visiting Medical Officers are vaccinated as per NSW health orders.

In line with Sydney Eye Hospitals policy, patients must have a covid 19 PCR swab undertaken pre surgery. Care givers are permitted onsite with proof of full vaccination. This is reassuring to patients while they await surgery.

We welcome Dr Jason Cheng, Dr Anagha Vaze and Dr Aly. Dr Cheng is an established glaucoma surgeon and Dr Vaze recently completed her fellowship and has opened her city practice. Dr Aly has recent arrive to Australia and started her practiced in Bondi junction. We look forward to working with them.

7 years in January

Hobbies:

knitting, cooking, still life painting

What I enjoy most about my role?
Meeting all the patient and interacting with the surgeons and their staff. I especially like seeing patients come back for the second time happy with their results.

Upcoming Audits

We are collating our patient satisfaction surveys for 2021. Health care record audits, Antibiotic Stewardship and Clinical Handover.

Consumer feedback

If you have any ideas or thoughts on how we can better improve our patient service, we would love to hear from you. Please contact info@sightfoundationtheatres.org.au or ask for a patient satisfaction survey from your nurse.
