Autumn issue Five

The Sight for Life Foundation acknowledge the Gadigal People of the Eora Nation, the traditional custodians of the land, and pay respects to elders both past and present.

Welcome

I would like to acknowledge Dr Milverton who will be retiring from operating at the end of April.

Dr Milverton, one of our founding members, was instrumental in setting up the Sight Foundation Theatres and Training Lab. He has been a champion of providing affordable surgery for those in need of care.

We wish Dr Milverton and Liz all the best on their future adventures.
