Consumer/Staff

Winter issue 2026

The Sight for Life Foundation acknowledge the Gadigal People of the Eora Nation, the traditional custodians of the land, and pay respects to elders both past present and emerging.

As winter approaches, our team is preparing for a busy season and continuing to improve the services we provide to our patients. Our Cataract Service remains very busy, with a growing number of patients benefiting from improved vision and quality of life through cataract surgery. We thank our staff for their ongoing dedication and commitment to patient care. We are also pleased to announce that new patient chairs have been installed throughout the clinic, providing greater comfort and support for patients during their visits. Thank you to our patients, staff, and community for your continued support. We look forward to providing high-quality care throughout the winter months
